

Fullerton College **SLOA Committee**

Minutes for the meeting Friday, **Dec. 6, 2019**

Attendance: George Bonnard (Chair), Brad Dawson (meeting scribe), Deanna Smedley, Caleb Petrie, Jill Kageyama, Anna Shyrokova, Karin Pavelek, Wendy Perez, and Joe Ramirez.

Meeting called to order 12:05 PM.

1. Approval of Nov. 1 minutes - approved
2. Issues regarding CSLO
 - a. The duplicate SLO problem has been eliminated by eLumen
 - b. Final data upload for Fall 2019 semester is complete
 - c. Counseling course with only 2 students showing – problem solved per George
 - d. Reflections “how to” link appears to be dead on the SLO website
3. Discussion of re-working ISLOs to better fit Guided Pathways goals
 - a. Quick recap of the discussion held at Nov. 1 meeting that included guests from the various Guided Pathway workgroups
 - b. Discussion of the draft document George generated following the Nov. 1 meeting – titled “Institutional Student Competencies (Revision of the title from ISLOs to **ISC**)”
 - i. Competency vs outcome
 - ii. NACE (Nat’l Assoc. of Colleges and Employers) – college + industry collaboration
 - iii. Most colleges per George’s research have 4-8 institutional competencies/outcomes listed
 - c. How are ISLOs currently assessed?
 - i. CSLOs are mapped to ISLOs
 - ii. Institutional Effectiveness Committee (or IIE?) did a student survey prior to the last accreditation visit
 - iii. Accreditation team recommends that we do a better job assessing, discussing, and implementing what we have learned
 - d. Consensus of the committee members present – the ISC (institutional student competencies) approach is a good one
 - i. Should they be detailed/”wordy” or kept simple, one word or short phrase?
 - ii. Assessment for some of the proposed ISCs will be difficult to do in the classroom
 1. Some are perhaps better assessed by staff, student support offices, counseling, campus climate surveys, etc.
 2. Guided Pathways Workgroup 4 (is learning happening) is discussing program outcomes – perhaps PSLO assessments/portfolios provide opportunities for ISLO/ISC assessment
 - e. Committee members need to get all comments to George by **Dec. 13**
 - i. Comments and/or recommendations regarding the proposed ISCs
→ (see email from George sent on Nov. 20 2019)
 - ii. Ideas for the assessment of some/all of the ISCs

4. George is going to a SLO conference in Monterey, CA that conflicts with one of the Spring 2020 meeting times
 - a. SLO Committee meeting will be rescheduled to the following week

Meeting adjourned 1:00 PM
