Approval of Agenda for today’s meeting (See below)

Topics	Supporting Document Filename (in SharePoint*)	Bring Copy
1. eLumen tickets-Status of open tickets No news from eLumen. There is one ticket open related to Math 130, but the Math Department worked around the issue has moved on.		No
2. Summary Status of division CSLOs-2018 Year End-Comments or questions.		No
3. Action Plan to add CSLOs to any new or revised courses or for any courses missing CSLOs by Coordinators-Comments or questions. Division reps should add/update CSLOs for their respective divisions as needed. For example, new courses may not have CSLOs in eLumen, and these can be copied over from curricunet.		No
4. CSLO to ISLO Mapping Action Plan –Discussion CSLO to ISLO mapping was briefly discussed.		No
5. Accreditation–Status update An accreditation “follow up report” draft is online (link below). The section of the draft pertaining to SLOs was read and discussed. Program Review self-evaluation will include a section on ISLOs. An issue is that ISLOs have been evaluated in the past, but then they weren’t discussed and used for		No

improvement of the institution.

- The idea of having a FLEX day seminar to do training for eLumen was discussed.
- The current SLO cycle ends in Spring 2020.
- George asked about the dates for the data refresh of eLumen, and it was said this is usually done at census and the W-date.
