## REPORTS

- Student Reports (welcome new reps Lilly Avila and Roberto Mendoza)
  - were able to meet (tyler joined them); insight into items they've been working on; still filling committees for this year. Roberto will be new chair of the environmental committee
  - Lilly-political science major, learn function and what can be done politically
  - Robert-how can we make everywhere more sustainable (more eco-friendly); more recycling, alternatives for food containers
- Faculty Reports
  - IPCC (70 attendees live and there is a recording, dissect largest scientific authority on climate change, every 6 years, next chapter next year)
- Classified Report (still an opening for another classified rep)
- Manager Reports
  - electric meter installation drawings complete with estimates; higher costs than anticipated so public bid; package submitted to district; will be complete in march
- Director Report
  - dean's council
    - receipt was skeptical
      - concerns around office scheduling, HVAC targeting, building specialties
  - STARS (+8%), dining, transportation, engagement
  - website updates
    - resources-newsletter, green living guide, youtube video
  - need feedback on newsletter by end of this week for publishing early next week
  - will reach out to campus communications re: including in President's weekly

## OLD BUSINESS

1. Fossil Free California [information]

- 
- a. Friday (NOCE) and Monday (Cypress)--officially notified committees that we want a single voice re: Fossil Free; recommendations to CSEA, etc.
  - b. update from Aline after board meeting
  - c. move forward from here with UF and clarify path forward for classified and management
  - d. get group together to review resolution and set a date with UF (include NOCE and Cypress)
2. BP Update [information]
  3. AP Update [information/action]
    - a. next DCC is 10/25

## **NEW BUSINESS**
