

## Student Services and Administrative/Operational Annual Program Review and Planning Update Form Fall 2023

### BACKGROUND:

Program review is an integral part of the campus planning process. As programs and areas monitor their progress on the current comprehensive four-year program review, changes in need and scope can be expected. This Annual PR Update form is designed to outline and request modifications to the current program review that occur between comprehensive four-year review cycles, as needed.

Examples of a requested change include new information such as action plans, outcomes modifications, personnel changes, technology needs, and capital expenditures requirements. As programs and areas monitor their progress on the previous comprehensive four-year program review, the form provides the basis to suggest a change in plans and processes to improve student success and institutional effectiveness.

### DIRECTIONS:

This form shall be completed annually by **all** student services programs and administrative/operational offices.

  - Is the resource request personnel-related? If so, please provide evidence to justify the requested positions such as retirements, program or office growth, or increased demand.
