In accordance with California's Code of Regulation, Academic Senate is the organization whose primary function, as the representative of the faculty, is to make recommendations to the administration of a college and to the governing board of a district with respect to academic and professional matters.

"Academic and professional matters" means the following policy development and implementation matters:

1. Curriculum including establishing prerequisites and placing courses within disciplines
2. Degree and certificate requirements
3. Grading policies
4. Educational program development
5. Standards or policies regarding student preparation and success
6. District and college governance structures as related to faculty roles
7. Faculty roles and involvement in accreditation processes, including self-study and annual reports
8. Policies for faculty and professional development activities
9. Process for program review
10. Process for institutional planning and budget development

- G. Diversity Advisory Committee (DAC) recommendations—Committee co-chairs will share recommendations on accessibility, mental health, and culturally relevant art installation as a first read (Moreno Yamashiro and Lindley, 10 minutes, Information)
