Fullerton College's Accreditation Philosophy and Goals: The reaffirmation of accreditation process provides an opportunity for Fullerton College to evaluate the effectiveness of its programs, practices, and policies. The college is committed to a self-evaluation that draws on campus-wide engagement at all stages. It will employ a process that facilitates accurate and thorough identification and documentation of best practices at Fullerton College that meet or exceed accreditation standards, as well as noting opportunities to improve. The resulting ACCJC Institutional Self-Evaluation Report will accurately document the nature and substance of Fullerton College and will reflect a broad consensus of faculty and staff.
